Developers have selected a sales team for **Alba Palm Beach**, a luxury waterfront development set for completion in 2026. The project's four two- and three-story townhomes offer water views, private plunge pools and multi-floor terraces that start at \$3 million.

Katie Weisz of ONE Sotheby's International Realty will lead the team as director of sales. She has over 10 years of experience in luxury real estate and more than \$600 million in sales to date.

Other members include **Patrick LeTourneau**, who specializes in waterfront condos; Christopher Austad, who is licensed in New York and Florida; luxury specialist Victoria Brunetta, Christopher Scott, who's earned \$300 million in career sales across the Palm Beach market; and relocation expert Jillian Rosen.

"We are proud to have assembled a world-class team that shares our vision for excellence. Each of these professionals brings an unmatched level of expertise and passion for connecting clients with a truly exceptional place to call home," Alba Principal Developer **Kenneth Baboun** said.
